

WIRED.

CODED.

WELDED.

A photograph of a group of approximately 15 young men, likely students, standing in a row outdoors. They are dressed in casual attire, mostly shirts and trousers. Behind them is a chain-link fence with some trees and foliage visible through it.

# About Us

*Fr. Conceição Rodrigues College of Engineering has been ranked amongst the top 5 engineering colleges affiliated with Mumbai University.*

*The college is known for its excellence in academics and co-curricular activities.*

*As a part of the latter, Team Robocon CRCE was founded by a group of budding engineers with a passion for Robotics. We represent our college in ABU's national competition held at Pune.*

*Hence, we rightly live up to its vision :*

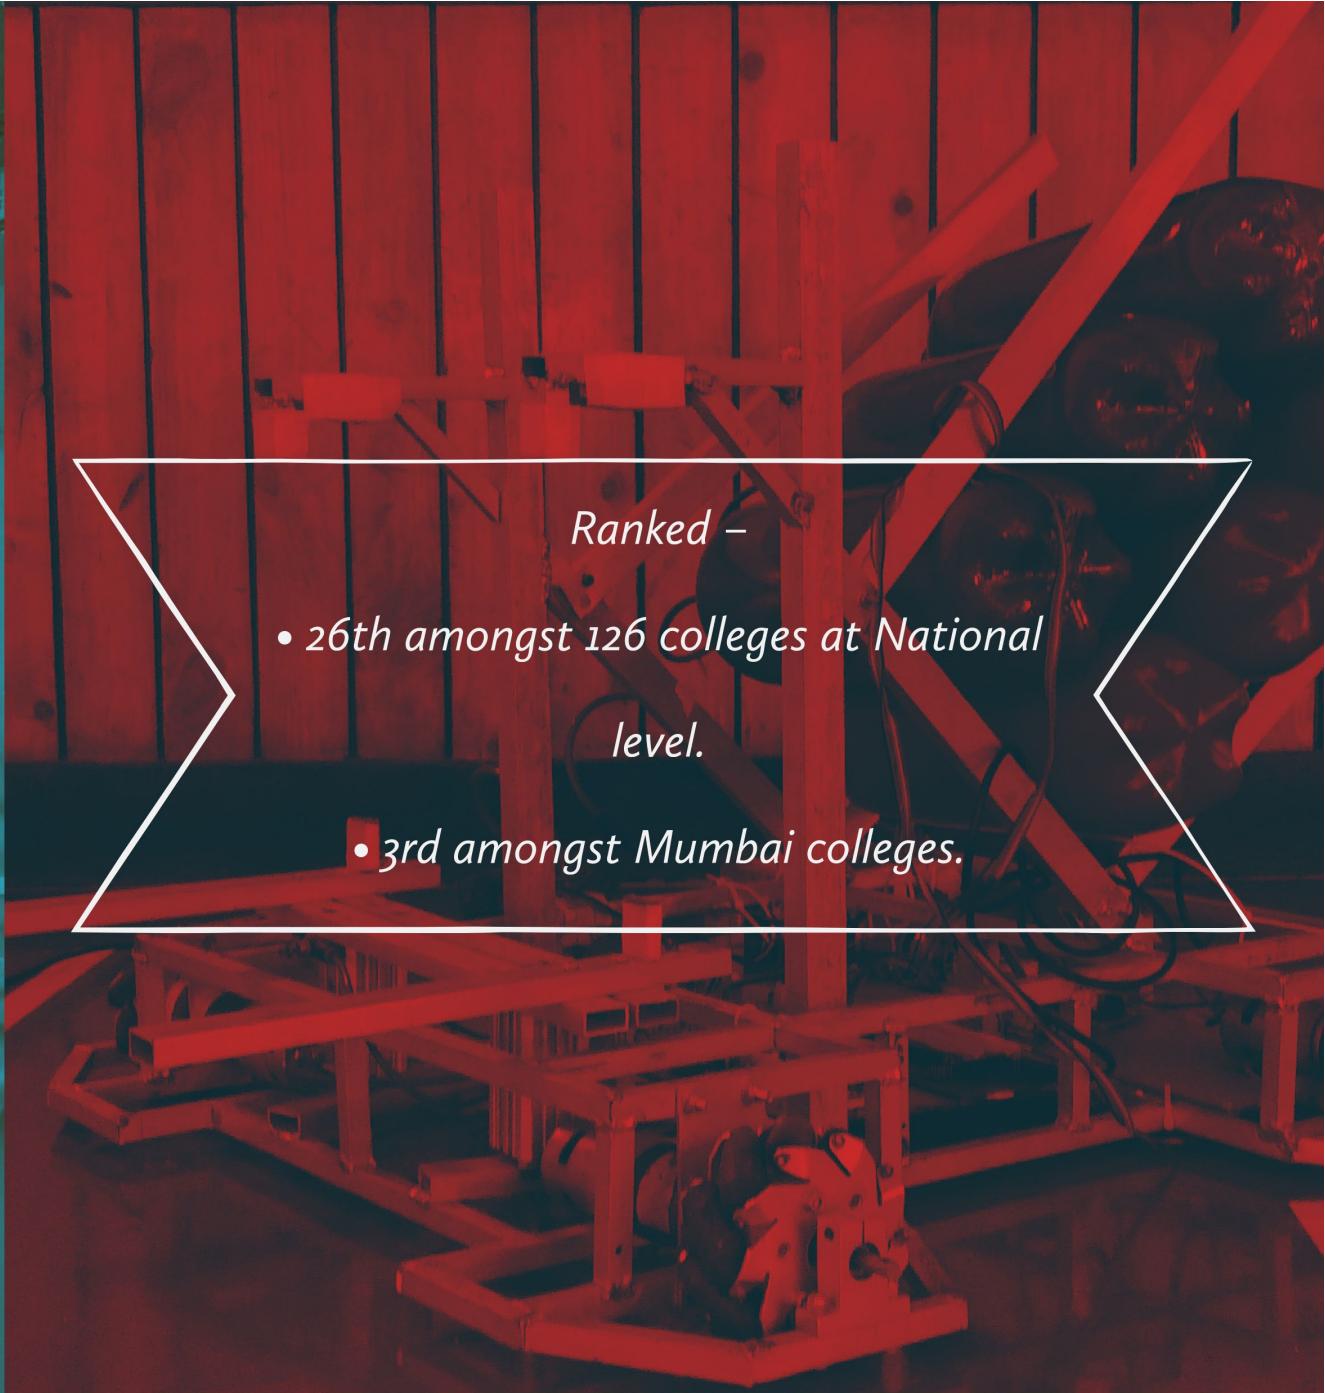

*“Moulding Engineers who can build the nation.”*

*Through the last 6 years, we have grown to be a collective that continues to bring more students into the technical arena to broaden their expertise.*

*The team witnesses an integration of Production, Electronics and Computer disciplines.*

# Sponsorship Proposal

*Being a team formed by undergrad students, we are bound by financial constraints. This limits our capability to realise our goal. We would be really grateful if you could help us in achieving our goal of excelling in ABU Robocon 2019 by funding us.*

*Each year, a new team is formed to compete in the annual ABU Robocon. A team of passionate students from varying branches work in unison & build Robots in accordance with the problem statement given by the host country.*

*To achieve the same, we are looking to collaborate with an establishment like yours. This collaboration shall entail a Sponsorship Deal, wherein we shall provide certain benefits to the other party in return for monetary backing. We hope you support our purpose & initiative & allow us to propose a collaboration with you. We assure you that your resources shall be put to efficient use & that every promise we make shall be duly honoured by us.*
